

EXTEND FIGHTING ON WESTERN FRONT

CLASHES OCCUR IN FLANDERS CHAMPAGNE AND ARGONNE

Numerous Air Raids Mark Warfare
German Sea Planes Raid East
Cost of England--Tentative Air
Attacks in France and Belgium do
Extensive Damage.

Fighting on the western front has
extended to numerous other sectors
than that of Verdun. Before that
trench battle is still raging but
with a lessened intensity, although
the French have been making repeated
efforts, which Berlin declares were
vain, to regain the ground lost in
the recent German attack near Hill
304, northwest of Verdun.

Other clashes of importance have
occurred in Flanders, in the Cham-
pagne and in the Argonne districts.
In the first named region the British
lines were attacked north of
Ypres, groups of German troops un-
successfully attempting to cross the
Yser canal between Steenstraete and
Het Sas, a sector in which a drive
in the direction of Calais might nat-
urally be attempted. The Cham-
pagne operation consisted in prepara-
tion for the Germans for an attack,
under the cover of dense clouds of
gas, in and near the St. Souplet re-
gion. The French curtain of fire,
however, prevented the launching of
the assault.

In the Argonne heavy losses were
inflicted upon the French by the
German patrol raid which was suc-
cessfully carried out.

Numerous air raids have marked
the warfare. German seaplanes raid-
ed the east coast of England but did
little damage. There was only one
fatality. German air attacks on
camps and various military estab-
lishments in northern France and
southwestern Belgium did extensive
damage. The casualties from this
raid reported by Paris total well to-
ward fifty, persons being killed in
Dunkirk and Bergues, and nearly
forty injured.

The French assert that five hos-
tile machines were brought down in
six engagements, while an equal
number of aerial victims is claimed
by the Germans.

Copenhagen dispatches bring the
report from Germany of the retire-
ment of Baron Von Schorlemer,
Prussian minister of agriculture, who
has been a subject of criticism dur-
ing the Reichstag discussions of the
food problem. It also is unofficially
announced that Dr. Karl Eberich,
secretary of the imperial treasury
has been appointed vice chancellor
in succession to Dr. Clemens del
Brueck.

G. O. P. CANDIDATES ARE EXPECTED TO OPEN HEADQUARTERS THIS WEEK

Fight for Delegate Votes is Expected
to be on in earnest by May 25.

Chicago, May 20.—Campaign
headquarters will be opened in Chi-
cago by a number of "favorite sons"
candidates for president before the end
of next week and by May 25th, it
is expected the fight for delegate
votes will be on in earnest.

Among the candidates expected to
open headquarters here during the
next few days are:

Elihu Root of New York.
Charles W. Fairbanks of Indiana.
Theodore E. Burton, of Ohio.
Senator John W. Weeks, of Massa-
chusetts.
Senator Albert B. Cummins of
Iowa.
Senator Lawrence Y. Sherman of
Illinois.
Senator Robert M. LaFollette of
Wisconsin.

T. Coleman DePout of Delaware.
Headquarters for Colonel Theo-
dore Roosevelt were opened a week
ago by the Roosevelt non-partisan
League which has planned a number
of mass meetings in the downtown
district to be addressed by speakers
of national prominence in the week
previous to the Republican conven-
tion.

WILSON SPEAKS AT ANNIVERSARY CELEBRATION AT CHARLOTTE, N. C.

Asserts America's Example of Bring-
ing All the World Together on
Terms of Liberty, Co-operation
and Peace is a Prophetic Sample
of Mankind.

Charlotte, N. C., May 20.—Presi-
dent Wilson speaking here today at
an anniversary celebration of the
Mecklenburg Declaration of Inde-
pendence, told his hearers that Amer-
ica's example of bringing all the
world together on terms of liberty,
co-operation and peace was a prophe-
tic sample of mankind. Involvement
in the European struggle, said
the president, is the very thing that
has been going on in America—a
competition of national standards,
national traditions and national poli-
tics.

"Europe," said he, "has grappled
in war as we have grappled in peace
to see what was going to be done
with those things when they come
into hot contact with each other.
What you see taking place on the
other side of the water is a tremen-
dous—I almost said final—process
by which a contest of elements may
in God's process be turned into a co-
ordination and co-operation of elements."

"For it is an interesting circum-
stance that the processes of the war
stand still. These hot things that
are in contact with each other do
not make much progress against one
another. When you cannot overcome
you must take counsel."

The reference was given significance
by the president's hearers in
view of recent discussion of possi-
bilities of ending the war.

"I would like," said the president,
to think the spirit of this occasion
could be expressed if we imagined
ourselves lifting some sacred em-
blem of counsel and peace, of ac-
commodation and righteous judg-
ment before the nations of the world
and reminded them of that passage
in the scripture:

"After the wind, after the earth-
quake, after the fire, the still, small
voice of humanity."

Before speaking President Wilson
reviewed a parade. Afterwards he
was guest at a luncheon, motoring
later to Davidson College, where he
once was a student. At the college
he visited the room in which he
lived as a student.

The President and Mrs. Wilson
and their party left tonight for
Washington.

KAISER RETURNS TO BERLIN TO SETTLE MINISTERIAL CRISIS

LONDON, May 20.—Emperor Wil-
liam today returned to Berlin sud-
denly in order to settle the ministerial
crisis, according to telegrams re-
ceived from Berlin in Amsterdam,
says a Reuter's dispatch from that
city.

His arrival was kept quiet as the
emperor wished to avoid the possi-
bility of demonstration. The em-
peror is not stopping at the Royal
Castle, but at Potsdam.

He received Imperial Chancellor
von Bethmann-Hollweg and Dr.
Karl Helfferich, secretary of the im-
perial treasury, on his arrival.

It is not expected that the emperor
will remain long in Berlin, and will
leave for the Russian front after the
crisis is over.

MORRIS ARRIVES IN CHICAGO.

Chicago, May 20.—Ira Nelson Mor-
ris, United States minister to Sweden,
arrived here from Washington today.
He will be the principal speaker to-
morrow at a celebration in memory
of Linne, the Swedish botanist.

Mr. Morris refused to discuss the
ambassadorship to Turkey. Mr. Mor-
ris has been mentioned for the post.

WOULD EXITE LUTHERAN CHURCHES.

Minneapolis, Minn., May 20.—The
Norwegian Lutheran synod, meeting
here in extraordinary session, to-
night adopted, by a vote of about
three to one, the constitution provid-
ing for union with the United Nor-
wegian Lutheran church and Hague's
Lutheran Synod.

CARRANZA TO SEND NEW NOTE TO WASHINGTON

INDICATIONS ARE DOCUMENT WILL BE OF A FRIENDLY CHARACTER

Head of De Facto Government May
Propose the Framing of a Definite
Understanding Along Lines of Un-
written Agreement Reached at El
Paso Conference.

Washington, May 20.—The state
department was advised officially
today that it might expect soon a
new note from General Carranza re-
garding the border situation. Indica-
tions are it will be of a friendly
character and it is thought possible
General Carranza may propose the
framing of a definite understanding
along the lines of the unwritten
agreement reached by the military
conference at El Paso between Gen-
erals Scott, Funston and Obregon.
Special Agent Rodgers at Mexico
City reported today that the atti-
tude of officials of the Carranza gov-
ernment had undergone a decided
change within the last few days.
There were evidences, he said, of in-
creasing friendliness toward the United
States.

Officials here believe the change
is directly due to General Obregon's
report of his discussions with the
American chief of staff and border
commander. The American officers
were completely successful apparent-
ly in overcoming suspicions of the
Washington government's intentions
which the Mexican minister enter-
tained when he was sent north for
the conference.

Mr. Rodgers reported that Mexi-
can officials now felt that the criti-
cal stage resulting from the Colum-
bus raid has passed, and said ten-
sion was greatly relieved in the Car-
ranza capital.

The determination of the Carranza
government to re-open diplomatic
negotiations for a formal protocol
probably explains its delay in in-
structing Eliseo Arredondo, its am-
bassador here, in regard to negotia-
tions over the request for withdraw-
al, which had been handled as a sepa-
rate question.

Mr. Arredondo asked for such in-
structions immediately after the bor-
der conference adjourned.

General Carranza's note suggest-
ing withdrawal suspended the con-
versations in progress as to the pro-
tocol and he apparently prefers now
to bring the situation back to the
point directly and of his own motion.

The only step taken toward a con-
tinuation thru diplomatic agencies
of the discussions at El Paso as sug-
gested by the conferees has been Mr.
Arredondo's request for instructions.
The state department has made no
motion in that direction and so far
as known has contemplated none.

MAUNA OA VOLCANO SUBSIDING AFTER ERUPTION FRIDAY

Disturbance Follows Much Activity
in Lava Lakes of Kilauea, a Sister
Volcano on the Island of Hawaii.

Honolulu, May 20.—Positive in-
formation that the eruption of Mauna
Loa volcano, on the island of
Hawaii, had subsided recently fol-
lowed tonight from Honolulu by
Jaggar, Jr., by radio.

Honolulu, May 20.—Mauna Loa
volcano, which sent a cloud of steam
and smoke 20,000 feet in the air
last night was subsiding today, ac-
cording to wireless advices from the
Island of Hawaii, 250 miles from
here. No damage had been report-
ed.

The eruption followed much activ-
ity in the lava lakes of Kilauea, the
sister volcano, 25 miles away, al-
though geologists say the two have no con-
nection and was also coincident with
disturbance reported the day be-
fore yesterday from Lassen Peak in
California.

Efforts were being made tonight
to get news from Prof. Thomas A.
Jaggar, Jr., director of the Kilauea
observatory and head of the depart-
ment of geology at Massachusetts
School of Technology of Boston, who
started for Mauna Loa in an auto-
mobile to determine the extent of
the lava flow if there was any.

In former days when Mauna Loa
burst out every five or ten years,
its crater, 12,000 feet across, pour-
ed out floods of lava destroying valu-
able forests, but of late the lava dis-
charge has been neither great nor
destructive.

Mauna Loa is extremely difficult
to cross.

MAY MAKE MEDICAL CERTIFICATES OF DEATH

Springfield, Ill., May 20.—In an
opinion rendered today in response
to a request by Chicago attorneys
representing the State Osteopathic
association, Attorney General Lucy
holds that osteopaths may "make
medical certificates of death in order
to obtain burial permits," but holds
that they cannot sign as physicians.

RELINQUISHES HONOR TO WESTCOTT.

Trenton, N. J., May 20.—Govern-
or Fielder, it was learned today has
written to President Wilson relin-
quishing the honor of nominating
the president at the St. Louis con-
vention as the candidate of New
Jersey, his home state to Attorney
General Westcott who made the nom-
inating speech at Baltimore four
years ago.

TELEGRAPHIC BRIEFS

GALVESTON, Tex.—The threat-
ened strike on the railroads in Mex-
ico has been averted, according to
information reaching the Mexican
consulate here.

LEWES, Del.—The Smith Island,
Va., coast guard station reported
that the Danish Steamer Berlin, New
York for Baltimore stranded 1 1-2
miles north of Smith Island. Smith
Island station is near Cape Charles,
Va.

CLINTON, Ia.—That the Mac-
Millan or Crocker expedition which
left for the North Pole three years
ago is safe is indicated in a cable-
gram received by Mrs. Jerome Lee
Allen of Maquoketa, Ia., from her
husband, a wireless expert with the
party.

DECATUR, Ill.—One of the large-
est labor demonstrations in Deca-
tur's history occurred here when
1,500 men representing about fifteen
different unions, marched thru the
streets.

SPRINGFIELD, Ill.—Damages
from the German government for the
loss of his entire family in the
sinking of the Lusitania May 7th,
1915, are sought by Robert McKet-
chen of Gillespie, near here. Mrs.
McKetchen and two sons, one an in-
fant, enroute to England, lost their
lives.

DANVILLE, Ill.—Danville's pre-
paredness demonstration will be
held on Memorial Day in conjunc-
tion with the G. A. R. observance
of that occasion. Towns within a
fifty mile radius will be invited to
join in the parade and speaking pro-
gram being prepared.

EFFORT TO CAUSE DISCONTINUANCE OF SEVERAL MAGAZINES FAILS

Missionaries Endorse Plan to Elevate
Missions Bishops to Rank of Bish-
ops With Full Powers.

Saratoga Springs, N. Y., May 20.—
An effort to bring about the adoption
of a report favoring the discontinu-
ance of several of the magazines
published under the auspices of the
Methodist Episcopal church failed at
a meeting of the committee on the
state of the church tonight. A minor-
ity report was submitted urging the
consolidation of some of the peri-
odicals on the ground that there
has been a total net loss during the
last four years of \$381,415. The
journals published in many parts of
the country, generally under the
name of "The Advocate."

At a meeting of missionaries from
Malaysia, the Philippines, India and
Burma, held tonight a proposal was
favored, which, if adopted by the
conference, will radically change the
Episcopal system. The missionaries
endorsed a plan to elevate all of the
missionary bishops to the rank of
bishops with full powers. If the
general conference gives its approval,
the present missionary bishops will
automatically become bishops, and in
place of the three of the former class
to have been chosen this year, one
bishop instead of two missionaries
will be selected for Africa and the
post at Singapore will be left vac-
ant. The proposal probably will be
submitted to the conference Monday
unless modifications are agreed upon
in the meantime.

WILL SUBMIT LYACH'S SENTENCE TO ASQUITH BEFORE IT IS CONFIRMED

WASHINGTON, May 20.—Ambas-
sador Page at London has been not-
ified by the British foreign office that
the sentence of Jeremiah C. Lynch,
a naturalized American arrested for
complicity in the Irish revolt, will
not be confirmed until it has been
submitted to the prime minister.
President Wilson had requested that
execution of the sentenced be de-
layed until the American government
had investigated.

Sentenced to Ten Years in Prison.
London, May 20.—It is reported
to the American consular office that
Jeremiah C. Lynch has been sent-
enced to ten years' imprisonment for
complicity in the rebellion in Ire-
land. The general commanding the
home defense says no confirmation
has yet been received.

RUSS COME TO STANDSTILL.

Petrograd, May 20.—Via London—
Having to cope no longer with the
Kurdish mountain bands and isolated
Turkish outposts and, instead, now
being confronted with the regular
Turkish army concentrated on the
Turco border, the Russian-Bagdad
expedition has come to a temporary
standstill. The Turks are reported
to be putting up a desperate resist-
ance apparently determined to delay
at all cost a further advance of the
Russian army.

RECOMMEND BISHOP BE REPRIMANDED.

Philadelphia, May 20.—At today's
session of the general conference of
the African Methodist Episcopal
church the Episcopal committee pre-
sented a majority report that Bishop
Joshua H. Jones of Tennessee be
reprimanded for using money for
other purposes than that for which
it was collected. A minority report
recommended more drastic action.

TORNADO WIPES OUT OKLAHOMA TOWN

BETWEEN FIFTEEN AND TWENTY REPORTED KILLED

Not a Building in the Town Escapes
Serious Damage—Eighteen are
Reported Killed in Section North
of Denison, Tex.

Muskogee, Okla., May 20.—Kemp,
Okla., a town of about 300 inhabi-
tants has been entirely wiped out by
a tornado, according to railroad di-
vices received here tonight. Be-
tween 15 and 20 persons were re-
ported killed and every one in the
city injured. Not a building in the
town escaped serious damage.

Heavy damage and loss of life is
reported all along the Red River
valley. Reports from other sections
of the state also tell of large dam-
age.

At Woodward, Okla., more than a
score of persons were injured when
a chautauqua tent was blown down.
Mrs. H. B. Peebles probably will die.
Many persons were trampled with
the crowd rushed from beneath the
falling canvas.

Fears are entertained for the safety
of the students at Bloomfield
Seminary an Indian school near
Kemp. The report that has come
from the devastated town said that
everyone in the vicinity was either
killed or injured.

Eighteen are Reported Killed

Denison, Texas, May 20.—At least
eighteen persons were killed in a
terrible wind and rain storm which
passed over the section just north of
Denison shortly after 10 o'clock to-
night. The town of Kemp, Okla.,
two miles north of the Red River is
reported demolished. Most of the
deaths are said to have occurred at
Kemp. One small child was killed
a mile north of Denison. All wires
are down north of here.

Storm Does Damage in Nebraska

Oxford, Neb., May 20.—It is re-
ported here that the storm which
struck the section of country near
Wilsonville, Furnas county, also did
damage at Beaver City, the county
seat.

A wind storm of tornado violence
is reported in eastern Colorado, the
towns of Fort Morgan and Yuma
being in its path. According to rail-
road reports much damage was done
at Yuma, but so far as can be learn-
ed there were no casualties.

CARRANZA OFFICIALS ARREST NUMBER OF WELL KNOWN MEXICANS

Men Are Charged With Having Im-
plicated Themselves in Plot With
Members of Clerical and Felix Diaz
Parties.

Douglas, Ariz., May 20.—A num-
ber of well known Mexicans of Moctezuma, a mining town in northern
Sonora, have been arrested by Car-
ranza officials and brought to Agua
Prieta, where they await trial on
the charge of having implicated
themselves in a plot with members
of the clerical and Felix Diaz parties.

They are Carlos Teran, a merchant,
and mine owner, Adeodato Luis Fe-
lix, judge of the first instance at
Moctezuma; Jesus Mahorin, secre-
tary of the court Angel Monge, a
wealthy resident who is 80 years of
age; Ramon Morino, and another
resident whose name is not given,
but who is of equal prominence.

Friends of the accused say the
trouble was caused over a suit for
the condemnation and forfeit of prop-
erty alleged to belong to members
of the clerical party now refugees
in the United States out the title to
which now stands in the name of
Teran, Judge Felix found against
the government officials in favor of
Teran. This, they say brought
charges of a plot.

It is said in official circles the ac-
cused men will probably suffer depor-
tation from Mexico.

REPORT MEXICAN BANDITS ON BORDER.

Marathon, Texas, May 20.—Two
bands of Mexican bandits were re-
ported today in the vicinity of Ter-
lingua and Lajitas, 50 miles west of
Boquillas, according to reliable in-
formation received here tonight. One
band comprised eight hundred men.
These are believed to be the same
bands that were seen in the neighbor-
hood of Presidio several days ago.

The news was brought here by an
American ranchman, who said he
had it from Mexicans in his em-
ploy.

PATRIOTIC DEMONSTRATIONS

MARK HARVARD BANQUET
Pittsburgh, May 20.—With Major
General Leonard A. Wood and Major
Henry Lee Higginson, the Boston
financier, as the principal speakers,
the closing banquet of the twentieth
annual convention of the Associated
Harvard clubs here tonight was
marked by patriotic demonstrations
from the 800 delegates as they were
urged to prepare for possible eventu-
alities.

FRAUDS

Washington, May 20.—Attempted
frauds and evasions of the income
tax law aggregating \$3,390,185 have
been frustrated by the treasury de-
partment, it was announced tonight,
during the first nine months of the
current fiscal year.

party will meet in New York next
Wednesday to select the temporary
chairman of the convention.

SWEAR IN FOUR JURORS IN TRIAL OF ORPET

PREDICT JURY BOX WILL BE FILLED IN ANOTHER WEEK

State's Attorney Dady Says Miss
Youker, Orpet's Fiancee, Will Be
Called as a Witness by the State—
Her Mother Denies She Will Help
Prove Orpet Killed Miss Lambert.

Waukegan, Ill., May 20.—Four
men were sworn in today as jurors
in the trial of Will H. Orpet, Uni-
versity of Wisconsin student, charged
with the murder of his former
sweetheart, Marian Lambert, a pret-
ty Lake Forest high school girl.

The four were gleaned from a total
of 400 veniremen examined
since the trial began before Judge
Donnelly last Monday. Each of the
jurors is married and has children.
Their names and occupations are:

Len Barthell, ice man.

H. F. King, clerk.

G. A. Thompson, farmer.

E. W. Willoughby, farmer.

Another week, it was predicted,
would see the jury box filled.

Celeste Youker of River Forest, a
teacher, to whom Orpet is engaged to
be married, will be called as a
witness by the state, it was said.

"She will help to prove that Orpet
killed Miss Lambert," said State's
Attorney Dady. "She may be a wit-
ness, but she'll do nothing of the
sort," said Miss Youker's mother.

"Celeste to testify against me?"
exclaimed Orpet. "That's all wrong."

Judge Donnelly said he was sorry
that Miss Youker had to be called.

"I also wish," said the judge, "that
her letters to Orpet, and his to her,
could be kept out of the case. I
have read them and they do not be-
long in this case. They are letters
of a pure-hearted woman to the man
she loves."

Mrs. Youker, mother of Celeste,
talked reluctantly with a reporter to-
day. Her daughter, she said, was
far from well. She was very much
in love with Orpet and thought she
was his first love. She never had
heard of Orpet's affair with Miss
Lambert. She was ill of heart trou-
ble at DeKalb, where she taught
chemistry, when Miss Lambert was
found dead last February. The
news was kept from her for two
weeks. When she was told she suf-
fered a relapse and it was feared
she would not recover.

COL. SIBLEY GOES INTO CAMP TO AWAIT MAJOR LANGHORNE

SAN ANTONIO, Texas, May 20.—
Major George Langhorne and the
two troops of the Eighth cavalry that
he led 135 miles south of Boquillas
in pursuit of the bandits who raided
the Texas border were fifteen miles
beyond the troops of Colonel Sibley
tonight. Colonel Sibley reported to
General Funston that he had gone
into camp forty miles south of the
border and would wait there until
Major Langhorne came up, when the
entire force would return to the
American side of the line.

General Funston today asked the
war department for more coast ar-
tillery for duty in Big Bend country.

ABOUT FIFTY PERCENT OF NEW MEXICO GUARD UNFIT FOR SERVICE

COLUMBUS, N. M., May 20.—
Physical inspection of the New Mex-
ico national guard which rapidly is
nearing completion, has disclosed
that approximately 50 per cent of
the militiamen examined are unfit for
service it was announced tonight. As
a result mustering officers predicted
that not more than two battalions of
infantry and a battery of field ar-
tillery will be mustered into the
United States army for patrolling the
border.

H. T. Herring, adjutant general,
left for San Antonio tonight for con-
ference with General Funston in an
attempt to have the physical exami-
nation waived in view of the con-
ditions.

XING DAY AT

HOME SANITARIUM

Dr. A. H. Kennelbrow's New Home Sanitarium was opened Saturday and a large number of people took the opportunity to inspect the institution. Some weeks ago the sanitarium was greatly damaged by fire and after securing temporary quarters Dr. Kennelbrow immediately began rebuilding. The sanitarium has been greatly enlarged and vari-

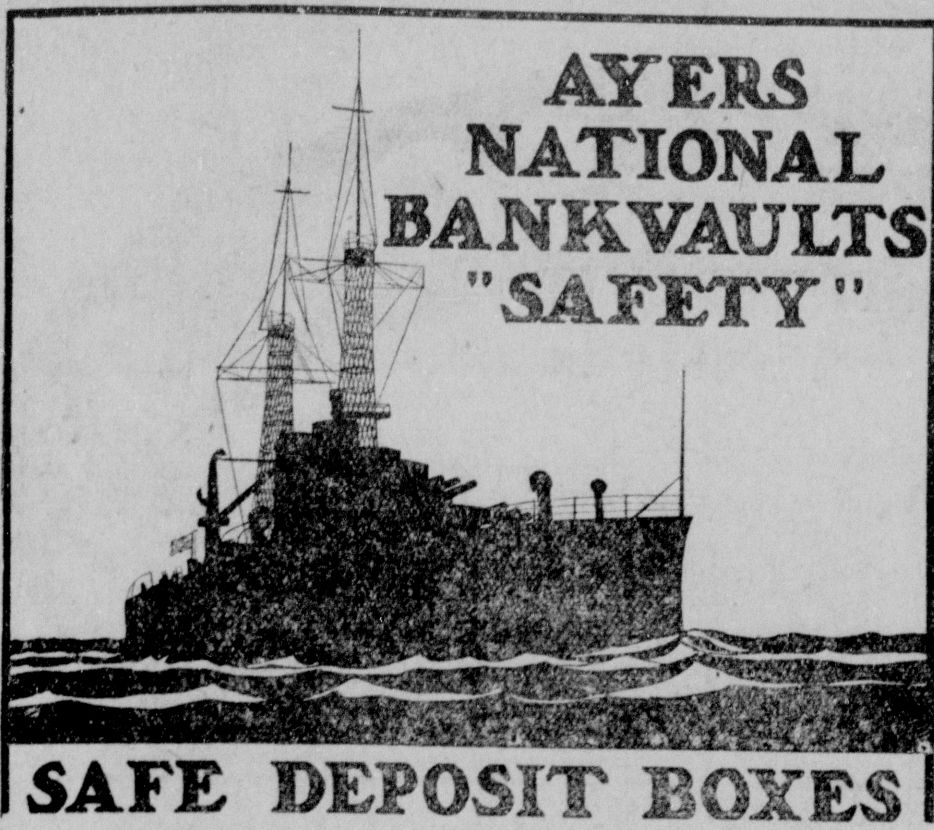

ous conveniences added. The hospital has a complete laboratory, the apparatus including an X-ray machine, and the sixteen rooms are well furnished and lighted. Dr. Kennelbrow has made a success of the sanitarium from the time of its founding.

OPEN AIR SCHOOL WILL CLOSE SUCCESSFUL YEAR'S WORK

Picnic for the Pupils Will be Held Monday at Nichols Park—School Doing Great Work.

The year's work at the open air school will be closed Monday by a picnic at Nichols park and thus will end a term of school which by a large number of people is all too little understood. So well have provisions been made for the treatment and instruction of children in danger of the development of disease, that great improvement in the case of each pupil is noted and the sickness and impaired health saved the pupils in after years is beyond estimate.

The space back of the school building has been devoted to gardening. Commissioner Jerry Cox plowed and harrowed the ground and the children prepared it for the seed. Charles DeSilva whose lunch counter is nearby, assisted the children in planting their plots which are five feet by eleven for each child. Some of the high school pupils under Prof. W. P. Carter also helped in the planting.

Charles DeSilva has helped secure prizes for the best garden. The first a load of coal, the second a pair of shoes and the third a sack of flour.

Monday the children are to have a picnic at Nichols park the weather permitting. A free street car ride has kindly been provided and they are to have a fine time all day. In case of bad weather the festivities will be in the school building.

Greatest praise is due Miss Laura Hammond, the efficient principal of the school for her untiring devotion to the work and the very capable manner in which she has conducted the school. In her work she has been ably assisted by Miss Edith Peak.

Edith Leopold, a pupil has not been absent nor tardy since the school began.

Miss Hammond has prepared the following statistics. Unless otherwise specified the time is from Jan. 1, 1915 to May 24, 1916.

Enrollment.

Number of different pupils enrolled, 55.

Number returned to regular school, 8.

Number moved away, 6.

Number who have left school to go to work, 1.

Number who have died, 1.

Number now on roll, 41.

Absences.

(September, 1915, to Jan. 11, 1916.)

When attending ward schools, 385 days, an average of 9 34-29 days.

When attending open air school, 204 days, an average of 5 7-19 days.

Physical Gain.

(To Jan. 11, 1916.)

Last year—Boys, 3 16-23 pounds; girls, 2 14-15 pounds.

This year—Boys, 5 19-23 pounds; girls, 5 pounds.

Total gain—Boys, 9 12-23 pounds; girls, 7 14-15 pounds.

Boys, least gain 2 pounds; greatest gain, 31 pounds.

Girls, least gain, 3 pounds; greatest gain, 24 pounds.

Grades Represented.

Number of pupils in first grade, 11.

Thirty-nine pupils are retarded from one to six years in grade.

Scholarship.

On entering, 31 of the pupils were poor or had failed in from one to six studies, 82 per cent below grade and 18 per cent good in their work.

Jan. 11, 1916, 5 of the 38 pupils were poor in one study, 13 per cent below grade and 87 per cent good or excellent in their work.

Advancement.

Five pupils were not promoted June 2, 1915.

Two pupils shortly after entering were advanced a grade because they were over age and two others were advanced because they were ready for and were capable of doing heavier work.

Two pupils were conditioned and four pupils were not promoted because of absences.—May 20.

WANTED.

Girls, general laundry work. Experience not necessary. Barr's Laundry.

TRACK MEET EXTRAORDINARY.

Yesterday afternoon in the vicinity of Diamond and West College streets there was a track meet extraordinary, three organizations crossing swords or rather legs and arms. They were the Fleetfoot, White Sox and Winners. They had high jump, broad jump, 50 yard dash, 100 yard dash, 220 yard dash and other contests and in the wind up the Journal is informed the scores stood: Fleetfoot, 57; Winners, 21; White Sox, 12.

FAVOR REMOVAL OF ILLINOIS RIVER LOCKS AND DAMS

County Board Endorses Plan It Is Believed Will Save Great Areas From Overflow—Chicago Sanitary District Will Pay.

At a meeting of the board of county commissioners Saturday afternoon a resolution presented to the board by Thomas Worthington was adopted wherein the commissioners endorsed the bill introduced in congress by Mr. Rainey advocating the removal of the dams and locks in Illinois river. Mr. Worthington, who has made a specialty of drainage problems for twenty or twenty-five years, explained the purpose of the bill and said that the removal of the locks is now desirable in order to prevent the overflow of great areas of farm lands adjoining the river. When the locks were built they were deemed necessary in order to make the river navigable at certain times of the year, but now as the result of the construction of the Chicago sanitary district, the water flowing from Lake Michigan has raised the low water mark and the river is navigable without the locks. The matter has been agitated at various times in the past without success, one of the principal objections being the cost of the work. It is now understood that the sanitary district officials are ready to stand the expense in order to avoid liability in various damage suits which have been brought against the district on account of the overflowed lands.

County boards in the several counties thru which the river passes are joining in the effort to secure approval of the Rainey measure. After Mr. Worthington had explained the matter the resolution he presented was adopted on motion of Commissioner Roeger, with a second by Commissioner Wilson, and a copy signed by Chairman Coultas will be forwarded to Washington.

The Resolution.

The following resolution was offered by Commissioner W. F. Rogge seconded by Commissioner David Wilson, and was unanimously adopted:—

Whereas, the Illinois River forms the western boundary of Morgan County for a considerable distance, and many of the citizens of this County are deeply interested both in the navigation of said river and in the reclamation of alluvial lands adjacent thereto; and,

Whereas, investigation has shown that the four dams in said river no longer accomplish a useful purpose, but that, on account of the increased flow of water therein caused by the Sanitary District of Chicago, which is impeded in its flow by said dams, the low water level in said river has been raised from four to six feet, thereby damaging larger bodies of land adjacent to said river and throwing a greatly increased burden upon numerous Drainage Districts adjacent thereto; and,

Whereas, owing to said increased flow of water in the Illinois River a sufficient channel can be maintained for purpose of navigation without said dams; and,

Whereas, we are informed that the Sanitary District of Chicago, in order to avoid numerous damage suits, is willing at its own expense to remove the dams constructed by the Federal Government at Kampsville and La Grange, whenever the State dams at Copperas Creek and Henry shall have been removed; and,

Whereas, it is the opinion of this Board that it is not only to the interest of navigation but greatly to the interest of the owners of lands adjacent to said River that all said dams should be removed. Now therefore,

Be It Resolved that this Board of County Commissioners approves the bill introduced by Honorable Henry T. Rainey on May 10, 1916, (known as H. R. No. 15,526), directing the Secretary of War to grant a permit for the removal of said dams, under the direction of, and to the satisfaction of, the Secretary of War, and respectfully recommends to the Senators and Members of the House of Representatives from this State that they support the passage of said bill.

Resolved, Further, that the Clerk of the County Court be, and he is hereby, directed to transmit a certified copy of this resolution to each of the Senators and Members of the House of Representatives from this State.

WOLF OF WALL STREET
HAS ONE MORE CHANCE

David Lamar Hopes That Rehearsing May Give Him Freedom.

Washington, May 20.—David Lamar, the "Wolf of Wall Street", is pinning his last hope for freedom on his application for rehearing, which has been held under consideration by the United States Supreme Court. The application will be decided on Monday, it is expected. While there can be no prophecy of the action of the tribunal, it is believed by those interested in the famous case that Lamar has reached the end of his rope in staving off the clang of the jail bars. It has been decided by the Supreme Court that Lamar must go to the Atlanta jail to serve the two years' sentence imposed on him in the New York federal courts for impersonating Hon. A. Mitchell Palmer of Pennsylvania when Mr. Palmer was a member of Congress.

Lamar was found guilty on Dec. 3, 1915, and was immediately sentenced to serve two years in Atlanta prison. The court granted his counsel a writ of error, and a series of appeals has served to stay the evil day when the famous "wolf" of charmed life must go to jail. Lamar lined all his hopes of acquittal upon the point that his conversations with Lewis Cass Ledyard in the character of Congressman Palmer had none of the elements of legal fraud about them. Lamar admitted the telephone conversations, and failed to put in any evidence. His counsel argued that the scheme concocted by Lamar was silly and foolish and there had been an attempt to deceive, but that it was not a serious affair.

The disclosures in the congressional investigation of campaign contributions in 1913 led up to court proceedings against Lamar. The disclosures included telephone conversations with certain Wall Street financiers, in which Lamar had represented himself as Palmer and had made proposals to influence legislation before Congress. He was convicted of intent to defraud Lewis Cass Ledyard, J. Pierpont Morgan and others, and of impersonating a public official.

Lamar has conducted his fight before the Supreme Court on the claim that a representative in Congress is not an officer of the United States. It was held by Justice Holmes in announcing the court's decision dismissing one of Lamar's appeals, that it was not necessary for the officer to be an officer of the United States in the sense in which that term was used in the law. Mr. Justice White, in the decision of May 1, laid down the principle that the penal statute plainly intended to protect members of Congress.

Lamar was indicted in July, 1913, and was arrested in the following September in Washington. There was delay in getting a judge of the District of Columbia to hear the case in removal proceedings. After some weeks, it was decided that Lamar must go to New York to answer to the indictment. Then Lamar appealed, and gained time in that way. Again he appealed, and kept away from New York until the autumn of 1914. Lamar has enjoyed extraordinary luck in keeping out of jail, and it will be nearly three years after he was indicted that he will be on his way to Atlanta.

Lamar meanwhile got himself into the limelight again in connection with Labor's National Peace Council and Franz von Rintelen, the German agent who is alleged to have spent large sums of money in this country in promoting strikes in munition factories. He has been indicted for conspiring with von Rintelen, and according to federal officials, Lamar was the German agent's paymaster and found the position extremely profitable.

SOME NOTABLE BIRTHDAYS

Glenn H. Curtiss, famous American aviator and builder of aeroplanes for the European and American governments, is 38 years old today. He has won trophies in Europe and America, and during the past nine years has developed some remarkable bird-crafts. He built the machine that was planned to cross the ocean. Rodman Wanamaker sold the machine to England when the war broke out. His flying boats beat all world's records, and he took charge of these craft in their flights. His most recent dreadnaught of the air is a triplane, and it measures 133 feet from tip to tip. Her engines develop 960 horsepower. A dozen men can live in the cabin of the huge craft, sleeping in berths and dining as comfortably as in any railway car. This big aeroplane mounts a battery of three-inch guns, can carry much fuel and a large supply of bombs, and is considered a more practical craft than anything Germany has yet shown. Curtiss was born in Hammondsport, N. Y., May 21, 1878, and was educated there. He was a practical mechanic in his boyhood and conducted interesting experiments with motors. He attracted notice in 1906, when he appeared at Ormond Beach, Fla., with a home-made motorcycle, on which he traveled a mile in 26 2-5 seconds, the fastest mile ever traveled. He won endurance contests with his aeroplane, and invented and demonstrated the hydroplane.

ASSOCIATED PRESS
CORRESPONDENCE.

San Juan, Porto Rico, May.—The hull of the ill-fated American schooner, Forest City, known among shipping men along the Atlantic coast as a "hoodoo" ship, is to be raised from the bottom of the bay here and rebuilt. The Forest City was burned here on New Year's Day, the blaze being finally extinguished, after burning for twenty-four hours, by the sinking of the hull.

Now the hull has been purchased at public auction for \$3 after a preliminary survey the purchaser has announced that the hull will be rebuilt at a cost of approximately \$35,000 and when completed it is believed that the schooner will earn back her cost in a very short time.

The Forest City, disabled by storms and with more than half of her crew of eleven ill of beriberi, was brought into port on December 13 last, after having been out 71 days from Calabar, on the West coast of Africa. The schooner was in distress when towed into port, she was leaking badly, some of her spars were gone and it was thought she would have to unload all her cargo here and go into dry dock before she could carry cargo again. Her cargo of palm oil, valued at \$125,000 was being unloaded here when she took fire on New Year's

JOHN STARKS IS CHARGED WITH ASSAULT TO COMMIT MURDER

Threatened His Former Wife and
Leveled Gun at Officer Who At-
tempted Arrest.

Chief of Police Davis and Officers White, Baker and Vierra arrested John Starks Saturday afternoon on the charge of assault with intent to commit murder. Starks threatened to kill Officers White and Baker when they went to a residence in Anna street to stop a quarrel between Starks and his former wife.

Starks is a coal hauler and last fall his wife got a divorce from him and went to Missouri. Recently she returned and has been visiting with her aunt in Anna street. Starks evidently is infatuated with the woman. Saturday morning he went to the residence where his former wife was stopping and someone telephoned the police station that there was trouble there. Officers White and Baker were detailed to the house. Officer White opened the door and Starks leveled a revolver at him he would shoot the first man who attempted to arrest him. The officers withdrew and reported the matter to Chief Davis.

In the meantime Starks had compelled the woman to accompany him under threats of death. The couple went south in Wells street to Morton avenue. Chief Davis had a warrant sworn out for Starks on the charge of assault with intent to commit murder. The police force searched the entire south part of the city and South Jacksonville and Nichols park. The search was unsuccessful until the police got track of Starks in the north part of the city. He was finally located at the house of Thomas Meadows and placed under arrest. He will be held at the police station and given a preliminary hearing Monday.

WOMAN'S COLLEGE NOTES

Dr. and Mrs. Harker and Miss Neville spent Saturday in Springfield as the guests of the Springfield society of the Woman's college. A formal luncheon was served at the Y. W. C. A. rooms and both President Harker and Miss Neville responded to toasts.

A number of picnics have been held the past week. On Thursday the juniors had a picnic at Nichols park. Friday the sophomores went to the east woods, while Saturday the faculty enjoyed a picnic at Gravel Springs.

Miss Shaw of the department of expression will read Sunday night in Centenary church. She will give two numbers, "The Little Hunchback, Zia," and also "The Messenger." Miss Lavina Jones will read of the Grand Army at their services on Decoration day, to be held in Centenary church.

In the wireless department, which is under the control of the physics department, some remarkably good results have been obtained in undamped waves. Mr. Wackerle has been carrying out a number of experiments along this line, and the last few days has had some very good results.

Miss Louise Brown of Lafayette, Ind., is visiting Miss Throckmorton, one of the college juniors. Miss Brown is a high school teacher, and is inspecting the work of the college. A number of the girls who will receive certificates and degrees this spring have already been successful in securing positions. Miss Edith Sawyer will teach in Clinton, Mo.; Miss Ruth Mendenhall in Milford, Ill.; Miss Edna Main in Albion, Neb.; and Miss Helen McGhee in White Hall.

QUESTIONS ON THE SUNDAY SCHOOL LESSON.

By Rev. T. S. Linscott, D. D.

May 23.

13. Verses 11-13. What would you say were the ideas of these people concerning God, or "the Gods"?

14. What was their belief concerning the gods Jupiter and Mercury, for whom they took Barnabas and Paul?

15. Verses 14, 15. If a man of God is regarded in some superstitious way, why is it his duty to administer a rebuke?

16. As the best of men have the same natural passions as the worst of men, what is the moral quality, if any, of our natural passions?

17. Verses 16-18. Does God pay the same attention to the crops of the sinner, as he does to the crops of the saint? Why?

18. Verses 19-20. Did the same people stone Paul who before worshipped him as a God, and if so how feeling?

19. How much reliance can be placed upon the applause of the multitude?

20. Verses 21-28. What should be thought, and said, of the man who laid out for dead thru stoning, starts on his way next day preaching the story of mercy and love?

SOX DRIVE CROWELL OFF RUBBER AND WIN

BENZ HOLDS ATHLETICS IN THE PINCHES

Philadelphia, May 20.—Chicago drove Crowell off the rubber in three innings today and defeated Philadelphia 11 to 0. Sheehan, who took Crowell's place, blanked the visitors until two men were out in the ninth when they hammered out three runs. The home team could not hit Benz's delivery with runners on the bases and had eleven players left on the sacks.

Maternity! The Word of Words

And What a World of Help There is By a Little Timely Knowledge

It is written into life's expectations that motherhood is the one sublime accomplishment. And if there is anything, no matter how simple, how apparently trivial it may seem, if it can help, assist or in any way comfort the expectant mother, it is a blessing. And such is a remedy called "Mother's Friend." You apply it over the stomach muscles. It is gently rubbed on the surface, and makes the muscles pliant; this relieves the strain on ligaments, natural expansion takes place without undue effect upon the nerves. And as the time approaches, the mind has gone through a period of repose, of gentle expectancy, and this has an unquestioned influence upon the future child. That this is true is evidenced by the fact that three generations of mothers have used and recommended "Mother's Friend." Ask your nearest druggist for a bottle of this splendid remedy. He will get it for you. And then write to Bradford Regulator Co., 87 Lamar Bldg., Atlanta, Ga., for a most interesting book of information for prospective mothers. It is mailed free. Write today. It is a book you will enjoy.

It is replete with important and timely topics such as a description of the nerves, muscles and parts involved, the strange mystery of a new baby, the law of contagion, first pulsations, preparturient uneasiness, a maternity chart, diet list and many other subjects briefly told but of value to all women and particularly so to one who is to become a mother. It is mailed free to all who write for it.

WOMEN SHRINK FROM MODESTY

Bear Grievous Ailments Rather Than Make Condition Known

The subject of complaints peculiar to women is a delicate one, yet it is a plain duty to let these sufferers know that most of the derangements from which they suffer are due primarily to nervous debility.

Many a suffering woman, induced by shrinking modesty, has borne this grievous condition without complaint rather than make a personal appeal. When women say, "I am all run down, so nervous and weak," that means they are victims of the modern malady.

Such women, and they are a legion in every community, suffer from headaches, backaches, loss of appetite and sleeplessness. Their spirits are always depressed and their lives are not the normally happy one of their more fortunate sisters. Often, too, there are spells of nausea, weakness, or even fainting, that makes them feel insecure and to wonder when they will be embarrassed, or even in danger, because of their condition.

For such suffering women Tanlac, the tonic, tissue builder, appetizer, and invigorant, is ideal. Tanlac builds up the system, promotes digestion and proper assimilation of food, vitalizes the blood and brings back healthy color to the cheeks and real sparkle to the eyes.

Tanlac may now be obtained in Jacksonville at the Conover & Shreve Drug Stores, where its merits are fully explained.

ILLINOIS UNIVERSITY DEFEATS WISCONSIN IN DUAL MEET

MADISON, Wis., May 20.—In the fastest dual meet ever furnished a local crowd the University of Illinois cinder path men defeated the University of Wisconsin by a score of 72 to 63 points.

Artie Mucks broke his own world's record for the discus throw from a seven foot circle when he threw the plate 155 feet, 8 inches. The former record was 145 feet, 11 3/4 inches.

Mike Mason of Illinois broke the conference records in both the mile and two mile runs. In the mile he went it in 4:18 1/5, bettering the former record by one second. He cut a fifth of a second off his own conference record in the two mile.

Hohman of Illinois won the 100 yard and 220 yard dashes, meeting with stiff competition from Carter of Wisconsin in the latter event. Mucks was the individual star with 13 points.

RAIN POSTPONES FINAL HEAT OF AMATEUR AUTOMOBILE RACE

Event Will Be Finished Today and Will Be Followed by the Dealers' Race.

Chicago, May 20.—After two heats of the Western Inter-Club non-professional automobile race had been run today, a heavy rain set in, causing the postponement of the final and deciding heat until Sunday, May 21st.

In the two heats of the race today, from which the four leaders of each were chosen to compete in the final event for the inter-club honors, a speed of more than 80 miles an hour was established by the leaders.

The fastest time for a single lap was made by W. M. Robbins, of Chicago, who circled the track at more than 88 miles per hour.

William A. Leet of the Omaha club, won the first heat at an average of 81 miles an hour for the 20 miles, while R. R. Duff of Chicago won the second heat at 80 1/2 miles an hour. All cars in the race were stock models.

The Dealers' race will be run after the final heat of the amateur race tomorrow and is expected to show high speed.

WILL RUN OFF DASH

Springfield, Ill., May 20.—As a result of a protest upon the part of Pawnee that proper notice was not given the Pawnee contestant in the high school interscholastic meet at Urbana last Saturday, the 100 yard dash under protest will probably be run off in this city between Jordan of Pawnee and King of Palmyra. Both were out of the sprint. Director Huff of the University of Illinois has agreed to allow the two men involved to run for a medal.

MILLIKIN WINS ONE-SIDED DUAL MEET FROM ILLINOIS WESLEYAN

DECATUR, Ill., May 20.—Millikin University won a one-sided dual meet from Illinois Wesleyan of Bloomington today 76 1/2 to 32 1/2. The Illinois minor college conference record for the broad jump was twice broken by Millikin men. Leo Joanson jumping 22 feet, 11 1/2 inches, and James Norris with 21 feet, 8 3/4 inches. The record was 21 feet, 6 inches.

The relay was won by Millikin by more than 100 yards, but the conference record was lowered from 3 minutes, 40 seconds to 3:39 4/5. Millikin won singles and doubles of the Tennis meet without allowing the Wesleyan representatives a single set.

UNIVERSITY HIGH WINS IN TENNIS

Bloomington, Ill., May 20.—University High of Normal won over Peoria Manual in a dual tennis meet here today. Rust and Bohrer were the successful performers.

DECATUR WINS THREE EVENTS

Decatur, Ill., May 20.—Decatur athletes were star performers at the relay carnival held at Georgetown today, winning three of the seven events and contesting a fourth. Rain prevented several high schools from being represented, and the track was heavy.

Tender Teeth—the first sign of Pyorrhea

When you brush your teeth, does it feel as though you were brushing against the quick? Do the gums sometimes bleed? This is because pyorrhea has caused the gums to pull away from your teeth, leaving the unenamelled surfaces unprotected.

Your dentist will tell you, if you ask him, that you have gum recession; and that gum recession is caused by pyorrhea.

Unchecked, pyorrhea will warp and shrink and deform the gums. It will break down the bony structure into which the teeth are set—and you will eventually lose them. To save your teeth you will have to begin to fight this dread disease at once.

A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of pyorrhea.

But Senreco does more. It cleanses the teeth delicately. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the Senreco treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today; or send 4c in stamps or coin for sample tube and folder. Address The Senreco Remedies Company 503 Union Central Building, Cincinnati, O.

CENSORSHIP RULES ARE NOW WELL UNDERSTOOD

Two Years of Experience Shows Correspondents What They Can Safely Write About European War—Day of Friction Has Passed.

London May 19.—(Correspondence of the Associated Press)—With the war not far from completion of its second year, the American newspaper correspondents in London have become so accustomed to working under the handicaps of a censorship that there is now comparatively little friction between the men who would send the news and those who would stop it. Although there are occasional stoppages that are past understanding, correspondents generally have learned the limitations under which they can disseminate news from a belligerent country and the censors have at the same time generally become more reasonable.

In an interview with Sir Edward T. Cook who with Sir Frank A. Sweetnam, directs the Press Bureau, a correspondent of The Associated Press has been given an exposition of the principles under which the handling of news, both for the foreign and British papers, is administered under war conditions.

Sir Edward is best known in journalism as the former editor of the Daily News, and since his retirement from that position he has devoted himself to literary labors. He has edited John Ruskin's works and was Ruskin's biographer, making many important contributions to English literature, and since the war began he has published a life of Deane, the famous editor of the Times.

In beginning his exposition, Sir Edward told the correspondent that the Press Bureau never censored articles or telegrams criticizing the censorship. He urged the correspondent not to speak "too much good" of the censorship.

"I don't suppose you are likely to do so," he said, "but it would be a terrible blow if you did. The censoring newspaper or news agency and an efficient censorship are natural enemies, and if the day should ever come when the newspapers, British and neutral, conspired to praise the Press Bureau, it would be a catastrophe for one or other of us. It would mean either that the journalists had lost their 'go' or that our censors had been neglecting their duty."

Sir Edward declared that the only "boquet" thus far laid at the feet of the censors came unintentionally from Count Von Bernstorff, Germany's Ambassador to the United States, when the Ambassador described the British Bureau as one which "in its efficiency and imaginative powers has never had its equal in the history of the world."

"That," declared Sir Edward, "is probably higher praise than we de-

serve, but I think it is pretty good evidence that we have prevented some things which the enemy would have liked and done other things which he has disliked. That is a real compliment, for the Press Bureau is a war department."

Sir Edward pointed to the British Government's notification upon the outbreak of the war that the telegraphic and radio services throughout the Empire would be suspended, and he emphasized the phrase contained in this notification that the government would under certain conditions permit the transmission of some messages "as an act of grace."

"I sometimes wonder," he went on, "whether it is realized that instead of regarding every instance of a stopped cable as an act of wrong, you ought, by the letter of the law, to recognize every passed cable as an act of grace." The number of messages which we stop, delay or otherwise deal with is negligible compared with those we pass right away.

"In quoting the government's notification I was dealing only with rights. In interpreting the notification in practice we do not, I assure you, say, when a message is put up to us: 'Here is an American message, come, let us kill it; we have the right.' What we actually say to ourselves is: 'Let us see if this cannot be passed as it stands.' And if it cannot, let us see how little need be taken out."

Sir Edward explained that the censorship is governed by the Defence of the Realm Act, by the regulations made under it by Order in Council, and by instructions, explanatory in detail, which are issued from time to time by the Press Bureau and by various Departments of State.

The object of the censorship which the British government imposes, said Sir Edward, is two fold: first, to prevent the British press, and the cables over which Great Britain has control, from being used to disseminate military or naval information likely to damage the cause of the Entente Allies or to be of use to the Central Powers; and, second, to prevent the British press and cables from giving other assistance to the enemy.

"We have had to turn down a good many stories for naval and military reasons," he said, "and there has been much criticism of the government (and of the Bureau, which is its agent) for the restrictions imposed in the matter of raids."

"But surely it is not desirable to present the enemy with information as to his route, as to the exact places where he hit and where he missed and so forth."

Sir Edward recalled one American story which a censor had refused. "The writer," he said, "had, in heedlessness, given information which, if it reached the enemy, might have endangered many lives."

"What about your second category?" the correspondent asked.

"What sort of things do your censor on the ground that, otherwise than by disclosing military information, they give assistance to your enemy?"

"We are engaged in a life and death struggle with a very powerful and a resourceful foe," answered Sir Edward. "Imagine the following case, which we will call hypothetical: suppose you found that your cables were being used to send reports, which were not absolutely untrue, were intended to magnify German victories; to preach the doctrine of German all-powerfulness; to depreciate this country and her allies; and to do everything possible to influence Germans throughout the world and neutrals wherever they may be found, to sympathize with Germany and her allies; to push her propaganda; advance her cause, vilify England and our allies, and to stir up hatred against us in every corner of the globe where it seems possible to embarrass us. Suppose you found this going on, what would you do?"

Sir Edward referred to "the very large measure of freedom" extended to American and other correspondents, and asked:

"Why is your American enterprise, which is up to carry everything before it, unable to tell us more of what goes on in Germany? Many of the American newspapers and news agencies have very enterprising correspondents in Berlin. Why, I wonder, do they tell us so little about what goes on in the Reichstag and generally about political discussions?"

"Do not forget," Sir Edward concluded, "that while on one side this office is destructive, on the other it is the means of supplying to the press of this country and to neutral agencies and correspondents a great deal of information which has not only a public interest but a commercial value. I think it can be said that every naval and military event of importance which has been reported in the last twenty months has gone to the press thru this office, and the criticism as it may be convenient to forget that fact, it still remains a fact. The only credit we claim is that we issue all news with strict impartiality and without delay, and we think it is doubtful whether the press would receive it so regularly or so quickly if there were no press bureau."

ARRESTED FOR VIOLATING TRAFFIC ORDINANCE

Frank Rexroat was arrested by Chief of Police Davis on the charge of violating section 16 of the traffic ordinance. The complainant was C. D. Johnston who alleges that Rexroat failed to stop his automobile to render assistance after injuring a buggy in Hardin avenue. Rexroat was before Justice Dyer and gave bond in the sum of \$25 for his appearance in Justice Dyer's court Wednesday, May 24, at 9 o'clock. Rexroat a few days ago was fined for not having light on his automobile and took an appeal to the circuit court.

PRESIDENT SAYS MIND IS OPEN ON COMPULSORY TRAINING

Historically Correct in Telling Pacifist Committee That the Principle is Not Contrary to American Tradition—Brilliant Opportunity Knocks at His Door.

(Spokesman Review)

On the subject of preparedness President Wilson is progressing. When a member of the committee of the American Union Against Militarism asked him Monday if he believed in compulsory military service, the president replied that he held an open mind.

"I did not say I believed in it," to quote his exact words. "To use the phrase of a friend of mine, my mind is to let on the subject. I would say, merely, that that was not contrary to American tradition."

Three months ago the president was outspoken in opposition to the principle, and that question was one of the chief differences that forced Secretary Garrison out of the cabinet.

"As you know," said the president, in the letter that immediately preceded the secretary's resignation, "I do not at all agree with you in favoring compulsory enlistment for training, and I fear the advocacy of compulsion before the committee of the House on the part of the representatives of the department of war has greatly prejudiced the House against the proposal for a continental army."

In Line With Best American Tradition

The president was historically correct when he told the pacifist committee that the principle of universal obligatory training and service is not contrary to American tradition. It has had the approval of three great presidents—probably the three greatest—Washington, Jefferson and Lincoln.

Soon after his inauguration as the first president of the young republic Washington and General Henry Knox, his secretary of war, drew up a bill for compulsory military training, and Washington sent it to Congress with an accompanying special message. In summing up their argument Washington and Knox said: "Every state possesses not only the right of personal service from its members, but the right to regulate the service on principles of equality for the general defense. All being bound, none can complain of injustice on being obliged to perform his equal proportion. Therefore, it ought to be a permanent rule that those who in youth decline or refuse to subject themselves to the course of military education established by the laws should be considered as unworthy of public trust or public honors and be excluded therefrom accordingly."

Military Training Made the Price of The Ballot

In line with that sound theory the bill prepared by Washington provided:

"The youth of 18 and 19 years shall be disciplined for 30 days successively in each year; and those of 20 years shall be disciplined only for 10 days in each year, which shall be the last 10 days of the annual enlistments."

"At the age of 21 years every individual having served in the manner and for the time prescribed shall receive an honorary certificate thereof, which shall be required as an indispensable qualification for exercising any of the rights of a free citizen."

In other words, military training was to be made the price of the ballot. Privilege went with duty, and the two were one and inseparable. The plan provided not only for trained men, but for arms, munitions and materials for war, and included a provision for payment of officers of the militia. Every means will be provided by the people to facilitate the military education of the youth, which it is proposed shall be an indispensable qualification of a free citizen; therefore they shall not be entitled to any pay, but the officers, being of the main corps, are in a different predicament. They are supposed to have passed to the course of discipline required by the laws, and to be competent to instruct others in the military art. As the public will have no small claims for personal service on them, and as they must incur considerable expense to prepare themselves properly to execute properly their respective offices, they ought to be paid while on actual duty.

It is the confident belief of military authorities that if Congress had followed the counsel of Washington and Jefferson the United States would have avoided the second war with Great Britain, and the Civil War also, as two generations of military training, with its close association with the flag and its impressive patriotic lessons, would have made impossible the rise of the secession movement.

Brilliant Opportunity Knocks at His Door

From outspoken opposition, President Wilson has come to an open mind toward this fundamentally sound, just and democratic principle. He is letting slip a great opportunity to associate for all time his administration with an achievement which Washington and Jefferson essayed, but could not accomplish. His own former secretary of war only wanted the presidential approval to throw himself enthusiastically into the struggle to get it. The democratic chairman of the senate committee on military affairs, Senator Charles McNary of Oregon, is an earnest advocate and has introduced a bill that is one, in general principles with the bills proposed by Washington and Jefferson.

The principle is growing wonderfully in public approval. With the president standing resolutely for it and Roosevelt hammering hard on the public mind success would have been probable, for wavering members of Congress would have dropped into line.

It is not yet too late for the president to rise to the occasion. He has everything to gain and nothing to

lose, for if he could carry the adoption of the principle the achievement would stand to his enduring fame, and even tho he failed, he would have made the fight in famous company—the spirits of Washington, Adams, Jefferson and Madison, and would have lost—nothing in present prestige or historical estimation.

CONCORD.

Use Twentytwo Concorders! Mrs. Geo. Rentschler and daughter, Miss Ella, quite charmingly entertained the Ladies' Aid of the M. P. church, Thursday evening.

Miss Carrie Deltrick spent Friday morning in Jacksonville on business. Roy Filson of St. Louis visited his parents, Mr. and Mrs. John Filson from Friday until Sunday.

Joseph Wester is the first to finish corn planting this year so far as we have ascertained having completed the task last Tuesday. Mrs. Mary A. Hannu visited the last of the week with her brother, L. B. Smith and family.

Mrs. Mary Ater spent Sunday with the family of John Filson. Lloyd Smith returned Saturday on 51 from Pittsfield where he had been on business interests and reports almost a cloud burst at Bluffs as he came thru there.

Mrs. Aura Valentine, daughter Miss Irene and niece Mabel Yeck spent Monday in Jacksonville shopping.

Albert Peak and wife of Winchester and grand daughters, the young Misses Wheeler of Sinclair, were in Concord Monday.

Dorothy Eagle is improving slowly after a prolonged illness. Jacob Hoover of Chapin was in Concord Monday.

Louis Rexroat was transacting business in Chapin recently. Mr. Clarkson of Choyenne, Wyoming, but who was raised near Winchester was in Concord recently going to visit the family of Geo. M. Blair, S. Hardin ave., Jacksonville, he being very intimately acquainted with Mrs. McKendree McElfresh who was reared in the same family that his wife was.

Unless we miss our guess there will be some leap year escapades as we recently saw a young Miss carrying some of the very savariest summer drinks to a promising shall we say bachelor and saying take care!

Richard Smith spent Sunday in Jacksonville with his wife at the home of her parents, Mr. and Mrs. Cassell.

Miss Flora Filson intends going to East St. Louis Tuesday for a visit with Miss Eda Daley.

Mrs. Della Rexroat of Concord is visiting her parents Mr. and Mrs. Louis Rexroat.

Henry Scott and daughter, Miss Ida, of Carbondale were among the business visitors in the city Saturday.

HOW MRS. BEAN MET THE CRISIS

Carried Safely Through Change of Life by Lydia E. Pinkham's Vegetable Compound.

Nashville, Tenn.—"When I was going through the Change of Life I had a tumor as large as a child's head. The doctor said it was three years coming and gave me medicine for it until I was called away from the city for some time. Of course I could not go to him then, so my sister-in-law told me that she thought Lydia E. Pinkham's Vegetable Compound would cure it. It helped both the Change of Life and the tumor and when I got home I did not need the doctor. I took the Pinkham remedies until the tumor was gone, the doctor said, and I have not felt it since. I tell every one how I was cured. If this letter will help others you are welcome to use it."

—Mrs. E. H. BEAN, 525 Joseph Avenue, Nashville, Tenn.

Lydia E. Pinkham's Vegetable Compound, a pure remedy containing the extractive properties of good old fashioned roots and herbs, meets the needs of woman's system at this critical period of her life. Try it.

If there is any symptom in your case which puzzles you, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass.

The Largest College Class In Eighty Seven Years To Leave Illinois In June

On commencement day, Wednesday, June 14, twenty-six will receive the bachelor's degree at Illinois college, the largest class sent forth from college halls since the school was founded eighty-seven years ago. But once during these years has the class numbered more than a score, in 1911 when twenty-two were granted their degrees.

In the 1916 Rig Veda—the Illinois college annual published for the past eighteen years by the seniors of the school and this year, very appropriately, the largest and most appropriate volume of its kind yet issued—in this year's annual is given an excellent epitome of Illinois college life during the year just past. The volume is dedicated to Professor Percy F. Whisler, senior class officer. "To our able guide and mentor through four weary years, we dedicate this volume as a token of appreciation," expresses the thought of the seniors of '16. There appears also a full page likeness of Dr. Charles

Henry Rammelkamp, president of the college, to whom is due in large degree the success and prosperity which has made possible the graduation of so large a class.

It was only to the unremitting labor of a Rig Veda board of diligence and ability that made possible so complete a work. The personnel:

Editor-in-chief—Edward Bullard.

Business manager—Arthur Gustafson.

Associate editors—Clay Elliott, Velma Dugger, Beulah Ennis, Edward Alexander and Harry McLaughlin, first semester.

Following are the members of "the largest class ever": Miriam Cynthia Akers, Edward James Alexander, Ernest Fletcher Alford, Sarah Lucille Allison, Carl Ellsworth Black, Jr., Ruth Elizabeth Brown, Edward McDonald, Fred Walton Daniels, Paul Darragh, Clifford Harrison Dixon, Velma Dugger, James Clay Elliott, Beulah Pearl Ennis, Gladys Fern Galaway, Irwin Gummershimer, Carl Arthur Gustafson, Walter Henry Heath, Julia A. Huff, John

A Karch, Ione Linder, Thomas Daniel Magner, Roy William Newberry, Edith Mae Painter, Earl Shaffer, James Fairbank Smith and Eunice Claire Woods.

Miss Carrie Dunlap finished studies at the college this year for a bachelor's degree. Miss Dunlap has asked to be re-instated in the class of 1909 in which she did the greater part of her collegiate work. The twenty-seven degrees will thus be given the class of 1916 will properly number but twenty-six.

No field of college endeavor has been slighted in preparation of this year's annual. After the portraits of seniors, with brief characterization of each, come the conservatory graduates, a new departure in Rig Veda making. These are Misses Mary Daniels, Grace Angus, Gertrude Kumle, Grace Hoffman, Inez Pires, Rowena Sinclair, Minnie Hoffman, Helen Struck, Alice Phillips, Helen Frazer and Esther Spoonst.

The junior chronicle and photos follow and after these the sophomore, freshmen and Whipple classes. The

college societies have been accorded generous position and full page illustrations are given of the membership of Phi Alpha, Sigma Pi, Sigma Phi Epsilon, Gamma Delta, Philologist, and Tri Kappa. Among other organizations mentioned are the Dramatic club, the Rambler board, the Student association, the Y. W. C. A. and the Y. M. C. A. cabinets, and the inter-collegiate debating teams.

In the department devoted to athletics are some noteworthy features. A page is dedicated to Coach William T. Harmon and the championship football team of 1915. The football, baseball and track seasons are reviewed in detail, and plentifully illustrated. In a novel snapshot picture "The Educated Toe," one of Fred K. Stewart's winning punts is shown in striking fashion. A number of clever designs are the work of the Rig Veda artist, Edward Bullard. The lighter side of college life comes in for attention in the last few pages, bringing the book of 211 pages to an interesting close.

Edward Bullard, Jacksonville.

Edith Painter, Carrollton.

Lucille Allison, Jacksonville.

Ruth Elizabeth Brown, Modesto.

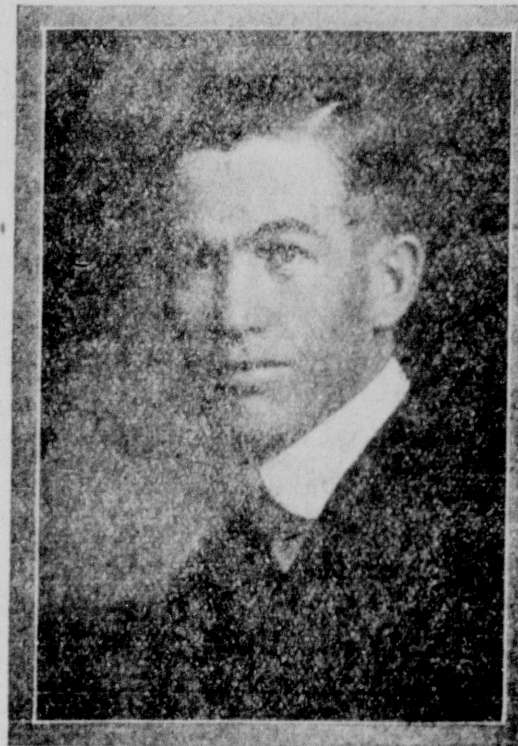

Julia A. Huff, Salem.

Irwin Gummershimer, Belleville.

Earl Shaffer, Bridgeport.

Paul Darragh, Mound City.

Fred W. Daniels, Griggsville.

Eunice C. Woods, Franklin.

Ione Linder, Carrollton.

Arthur Gustafson, Virginia.

Beulah Ennis, Petersburg.

Miriam Akers, St. Louis.

Walter H. Heath, Litchfield.

Gladys Fern Galaway, Mercedosia.

Roy Newberry, Mt. Vernon.

Velma Dugger, Jacksonville.

Ellsworth Black, Jacksonville.

COLLEGE OF MUSIC

The recital given on Thursday evening by the advanced under-graduate students in the college of music, was exceedingly successful. The young artists performed their respective task with technical accuracy, real interpretation, ability, and musical finish. There was a good audience and they were enthusiastic in applause.

The second in this series of student recitals will be on Monday evening, May 22, at 8 o'clock. The following program will be presented:

Aus dem Carnaval Greig

On Thursday afternoon, May 25, there will be a recital given by advanced intermediate students in the college of music.

On Saturday afternoon, May 27, at 2:30 will be a demonstration of

the work of the children's department of the college of music followed by a pupils recital given by the children of this department in the college auditorium. The demonstration will take place in expression class.

Mrs. Hartmann of the college of music faculty, sang several numbers before the Western Illinois High School Association during the oratorical contest Friday noon, at the Grand Opera house.

Mr. Stearns has been asked to present a paper on "Community Music" at the community conference to be held the third week in June, at the University of Illinois.

ILLINOIS COLLEGE NOTES

The last Devotional Meeting of the year will be a vesper service. The service will be largely musical.

Final preparations are being made for the presentation of the "Temptation" on the campus Tuesday evening at seven o'clock. It is evident that the consummation of the "Temptation" with the May Day will result in an unusually fine production this year. Several parties from Springfield and other towns are planning to come over to see the play.

Mr. Ernest L. Berry '13 has been appointed an instructor in the Department of Physiology at the Northwestern Medical School.

The College has received from Miss Lucy Catlin a valuable collection of geological specimens.

The Reverend C. M. Eames '04, of China will speak at the chapel exercises on Tuesday.

The Riga Veda published by the Class of '16 is undoubtedly the best annual ever published by an Illinois College class.

Leroy Hodgecock, '13 attended the chapel exercises on Friday.

CALL FOR MEETING.

The Morgan County Young Men's Republican club will hold a meeting in Armory hall Monday evening, May 22, at 7:30 o'clock. All members are urged to be present.

H. K. Chenoweth, President, M. W. Osborne, Secretary.

SENATOR MANNY HERE.

Senator Walter I. Manny of Mt. Sterling was a visitor in the city Saturday. Senator Manny is one of the leading men in the Illinois legislature and has been elected by his constituents for several years past.

CONSERVATORY NOTES

The Chorus will hold its regular Monday evening rehearsal on College campus this week. A full rehearsal of the Shakespeare play will be held.

The Conservatory Orchestra will give its spring concert on Friday evening, June 9th. Mrs. Genevieve Clark Wilson will be soloist on this occasion. The proceeds of the concert will go towards the fund for a Woman's building in connection with the College.

Mary Daniels played piano solos at Greenview Thursday evening and in Tallula Friday afternoon, May 18th and 19th.

Miss Rebecca Scheibel gave a most successful song recital in Lincoln, Ill., last Thursday evening, May 18th.

Minnie Hoffman played at the Declamatory Contest in the Opera House Friday morning, May 19th, and will play also for the Commencement in Franklin next Friday, May 26th.

A quartet service was given last Sunday, May 14th, in the Christian church by Mrs. Wilder, Mrs. Wehl, Mr. Beckman and Mr. Pond. Mrs. Julian Hall sang a solo.

The three graduation recitals, given last Tuesday, Thursday and Friday evenings in Northwestern church were very successful. Every one of the candidates for Teacher's Certificate or Diplomas who took part reflected much credit on himself as well as the Conservatory. Good audiences were present on each evening.

Karl Hill played a violin solo at the Commencement exercises of the Manchester High School on May 19.

Revival services at

ALEXANDER

The past week revival services have been conducted in the Methodist Episcopal church at Alexander under the leadership of Rev. Mrs. Tresh, a lady who has made a strong impression on her hearers. The meetings have been for the promotion of holiness and may continue another week and that question is to be decided today or tomorrow.

LETTER FROM MR. PLATT

Editor of the Journal.

Your paper mentioned my name as circulating petitions for candidates for the Board of Education on an Economy Ticket. I have not heard or seen in print that word since last spring when Mayor Rodgers organized his three man school board on an Economy platform and as a starter discharged a nurse and march first when they vacated their office, according to their report, had used eighty-five thousand dollars including eight hundred and sixty dollars paid for inventory of the school property for the incoming board to look at. The teachers salary for February not paid and only twenty dollars in the treasurer's hands to pay it. No board could duplicate that economy and as it seemed as the Courier had it that this election only was to decide for or against Superintendent Collins quite a number of people thought that as Mr. Collins might move away or resign and the new board would not know what to do it would be wise to try and get enough good business men to allow their names to be placed on petitions together with some sensible women and after electing them let them use their judgment who would make the best superintendent to run the schools. As we all want the best schools that we can get no one begrudges his school tax if it is spent for the betterment of the schools only.

Our free public schools make our country great as it gives to the state an educated people that are fitted for all the walks of life in times of peace and in times of war they make better soldiers. We can be justly proud of them.

As I have been on the school board when the mayor of the city ran the board for the benefit of his political party and the records will show that school money has been used to boost the same and as we are out of that mire now let us refuse to go backwards by refusing to elect the mayor as president of the Board of Education.

A. Platt.

BOSSING

There are bosses of places as well as of races, and bosses there are of all kinds; they know not your losses, they bear not your crosses, they're simply bosses of minds. We're told by the sages we've had them for ages, and cons shall pass yet I ween; ere the hold they have taken is easily shaken and bosses are nevermore seen. You know tis their pleasure to guide in a measure the people whose minds they control; the people who slumber, we count quite a number but the bosses will count as the whole. (At this we have wondered, why they have so blundered, the men and the women who sleep; they need to be shaken, if this should not waken then plunged in the cold waters deep. In love has our Maker most gracious caretaker, bestowed his abundance on all; and we should be using the good of His choosing when He for our talents shall call. Then say to your sonny, "I may not have money, but one thing I ask you to note; there is none who dare offer the men from his coffer nor tell me the way I'm to vote. I'll up and be doing in honor pursuing the noblest and highest I can; I say without blinking I'll boss my own thinking and cater to no other man."—S. Adrian Hughes.

SCHOOLS CLOSED

The Lynnville schools have closed the past week. Miss Nannie Campbell, who has had charge of the advanced room for the past two years closed her school May 13, with a picnic in the afternoon. Miss Campbell has been employed to teach the Grammar department at Murrayville, the coming year.

Miss Sallie McKinney, who has taught the Primary room for the past three years, closed her school Wednesday, May 17, with a picnic dinner. Many of the pupils brought a little brother, sister or a friend and in all there were 47 children present. Viola McNeely was awarded the prize in spelling in the 3rd grade, Blanche Hills in the 4th grade, Lillie German in the 2nd grade, and Byron Crouse in the first grade. Both schools were treated to ice cream by their teacher.

Miss McKinney has been employed to teach the Point school the coming year.

MAVERICKS

If men should start to wear again Those good old fashioned stocks, It would not shock us half so much As women wearing socks.

It is probable that a number of booms being launched by ambitious candidates will prove to be bombs on primary day.

Well the bond issue is a thing of the past but we still have the board of education and the West State street paving controversy in our midst.

A man suffering from heart disease had no business on Illinois field last Friday.

We learn that summer hose for women will just clear the shoe tops. Now we are wondering whether they mean those high topped ones or the low pumps.

A burglar up at Johnson City robbed a woman of \$400 she carried in her stocking. The incident probably will cause most women to select a new hiding place for their money.

The Beardstown Illinois Star speaking of Roosevelt's trip to Detroit says: "Roosevelt to invade City of Great Tinnist." We suppose this is a polite way of referring to Mr. Ford as a manufacturer of Tin Lizzies.

Charley Cutler it is said yearns to get Stecher on the wrestling mat again. After what Stecher did to Cutler on the occasion of their former meeting we would think that getting on the mat with Stecher would be about the last thing Cutler would want to do.

The Peoria Journal says a building boom is forecasted for Peoria. It is to be hoped that it proves better than Mayor Woodruff's boom for governor.

Orpet who is being tried for the murder of Marian Lamber in Waukegan is getting hundreds of love letters each day from silly girls and probably some women old enough to have more sense, all of which goes to show that there is still need for the fool killer thruout the country.

That earthquake shock out in Idaho might have been caused by Senator Root's presidential boom.

William Marchaloug was haled into court in Peoria the other day. A man with a name like that should not be blamed too much for what he does.

While those men and women were marching in that preparedness parade in New York city the other day it might have been a good idea to open recruiting stations and see how many of them wanted to enlist for service.

An attorney in a New York court the other day told the court that Charlie Chaplin received \$670,000 a year. The court asked, "Stage or real money?"

Former President Taft says we should be patient with Mexico. It seems to most of us that things have reached a stage in the Mexican situation where patience ceases to be a virtue.

While last Sunday was Mothers' day and universally observed nearly all over the world it was only a small homage to pay to one's mother. This thought we would suggest to young men and young women who still have mothers to love and care for you. Let every day be mothers' day to you. Try to show that mother the love that is in your hearts in some tangible way. Lighten her daily burden and above all make your life such that she may never have to shed tears for your wrongdoing.

A GIRL I SAW

DO YOU know
WHAT I saw today?
A GIRL with the most
BEAUTIFUL HAIR imaginable.
I MADE up my mind
RIGHT THEN to find out
WHERE SHE got it,
SO I asked her.
SHE WAS just as nice
ABOUT IT as could be.
WHAT DO you think she said:
"USE NEWBRO'S HERPICIDE."
THEN SHE went on
TO TELL me
HER HAIR used to be
DULL, BRITTLE, and lifeless.
FINALLY DANDRUFF began
TO ACCUMULATE.
HER HAIR came out,
HER SCALP itched
AND WAS hot and feverish.
SHE TRIED everything,
NOTHING DID much good,
SHE COULD see
AN IMPROVEMENT with
THE FIRST application
OF HERPICIDE.
THE DANDRUFF disappeared.

HER HAIR ceased falling out.
THE ITCHING stopped.
SHE WAS delighted
AND SAYS
"NEWBRO'S HERPICIDE
IS THE finest thing
THERE IS to make
THE HAIR soft and fluffy
AND INCREASE its beauty."
I DIDN'T like it
WHEN SHE told me
HER HAIR used to
LOOK JUST like mine.
I DIDN'T know my
HAIR LOOKED so
UNTIL SHE told me.
ANYWAY I am going
TO TRY Newbro's Herpicide.
IT IS sold everywhere

A GIRL I SAW

DO YOU know
WHAT I saw today?
A GIRL with the most
BEAUTIFUL HAIR imaginable.
I MADE up my mind
RIGHT THEN to find out
WHERE SHE got it,
SO I asked her.
SHE WAS just as nice
ABOUT IT as could be.
WHAT DO you think she said:
"USE NEWBRO'S HERPICIDE."
THEN SHE went on
TO TELL me
HER HAIR used to be
DULL, BRITTLE, and lifeless.
FINALLY DANDRUFF began
TO ACCUMULATE.
HER HAIR came out,
HER SCALP itched
AND WAS hot and feverish.
SHE TRIED everything,
NOTHING DID much good,
SHE COULD see
AN IMPROVEMENT with
THE FIRST application
OF HERPICIDE.
THE DANDRUFF disappeared.

CONDITIONS NEARER NORMAL
PREVAIL DURING SHORT SESSION

First Hour Is Attended by Further Realizing for Profits—Entire List Improves Later.

New York, May 20.—Conditions nearer the normal prevailed during today's short market session, the first hour being attended by further realizing for profits. Railroad shares, especially Reading, showed a pronounced tendency to yield, but the entire list improved later in response to a fresh inquiry for high grade issues. Coppers came into greater prominence with large dealings in Anaconda, Kennecott and Inspiration. Westinghouse was fairly strong in connection with the publication of the annual report, showing earnings of almost 18 per cent on the common stock.

Leading industrials, as represented by United States Steel showed little change and equipments were mostly inactive with a hardening tendency toward the close.

Marines were dull and inclined to ease off, probably in consequence of the passage of the shipping bill by the house of representatives.

Total sales of stocks amounted to 6,000 shares.

The bank statement showed an actual cash loss of almost \$10,000,000, a loan increase of virtually as much and a further contraction in reserves of almost \$12,000,000, reducing the total excess to about \$77,000,000, the lowest figure since the new form of bank statement became operative.

Foreign exchange was sluggish but steady in the main. Reports that arrangements had been made to increase the gold imports from Canada were not confirmable.

ASSERTIONS OF HESSIAN FLY
DAMAGE IN KANSAS LIFTS WHEAT

Market, However, Closes Unsettled at 1/4 of a Cent Down to 1/4 Up—Corn Scores Gain.

Chicago, May 20.—Wheat prices averaged higher today, influenced by assertions that Kansas never before had such a destructive visitation of Hessian fly as at present. The market, however, closed unsettled at \$1.12 for July and \$1.12 1/2@1.12 1/2 for September, with the range as a whole 1/4c off to 1/4c up as compared with yesterday's finish. Corn gained 1/4c to 3/4c; oats were unchanged to 1/4c down and provisions at 2 1/2 to 15c decline.

Attempts which in the last hour of the session, early buyers made to realize profits, were responsible for the wiping out of most of the advance of wheat. Bears in wheat displayed considerable interest in the generous proportions attained by Nebraska receipts. Omaha, for example, had arrivals of 100 cars today as against 32 cars a year ago. It was said the prospect was for 250 to 300 cars there on Monday.

Unsettled weather kept the corn market firm despite the late downturn in wheat. Reports were current that replanting of corn would be necessary in parts of Illinois and Iowa. Oats sympathized with corn. Trade was almost exclusively local.

Provisions were subjected to decided selling pressure at time. The motive seemed to be the fact that shipments of lard and canned meats showed a notable falling off as compared with last week.

PEORIA GRAIN MARKET.

Peoria, May 20.—Corn unchanged to 1/4c lower. No. 3 white, 73 1/2c; No. 2 yellow, 74 1/2c@74 1/2c; No. 3 yellow, 73 1/2c; No. 2 mixed, 74 1/2c@74 1/2c; No. 3 mixed, 74c; sample, 60@73c. Oats—Unchanged; No. 3 white, 41c; No. 4 white, 40 1/2c.

MOBILIZATION OF AUTOMOBILES

New York, May 20.—Maj. Gen. John F. O'Ryan, commanding the National Guard of New York, will tomorrow mobilize his command of ten thousand by means of privately owned automobiles. It will be the first demonstration of the effectiveness of the guard for coast defense in event of emergency. The troops will be rushed to the south shore of Long Island, which is considered one of the most vital spots in the defense of the metropolis.

Miss May Martin and Mr. and Mrs. William Morrow were representatives of Literberry in the city yesterday.

SPECIAL TAX NOTICE

Notice is hereby given to all persons interested,

That the City Council of the City of Jacksonville, Illinois, having ordered the roadway of South Main Street in said City, beginning at the South line of the Public Square in said City, and running thence South to the center line of Morton Avenue, where the same intersects said South Main Street, be paved with crushed stone and a coal tar compound binder, the same width as the present pavement, except the right of way of the Jacksonville Railway company, which shall be excavated and constructed with a sub-base of crushed stone, concrete foundation thereon, sand cushion, brick wearing surface with grout filler; that the roadway of said street beginning at the South line of Edgmon Street where the same intersects said South Main Street shall be excavated to a depth of seventeen (17) inches below the present grade of the old pavement, and from thence South three hundred (300) feet; the same shall be excavated on an ascending grade so as to finish five (5) inches below the present grade of the old pavement three hundred (300) feet South of said point of beginning; the said roadway shall be excavated North from said intersection of Edgmon Street as aforesaid, commencing seventeen (17) inches below the present grade of said intersection of Edgmon Street and thence running North on a descending grade one hundred four (104) feet below the present grade of the old pavement; the present curb adjacent to said excavation, to be lowered to conform to the new grade; upon the foundation of said excavation shall be laid a concrete foundation upon which shall be constructed a surface of crushed stone and coal tar compound binder and wearing surface, except right of way of Railway Company; and of which is further shown and more particularly described in and by the plans, plats, profiles and specifications for said work on file in the office of the City Clerk to which reference is hereby made; the Ordinance for the same being on file in the office of the City Clerk of said City, and said City having applied to the County Court of Morgan County, Illinois, for the confirmation of the assessment of the cost of said improvement according to the benefits, and an assessment therefor having been made and returned to said Court; the final hearing thereon will be had on the 2nd day of June, A. D. 1916, at 9 o'clock a. m., or as soon thereafter as the business of the Court will permit, and all persons desiring so to do may file objections in said Court before said date, and may appear on said hearing and make their defense.

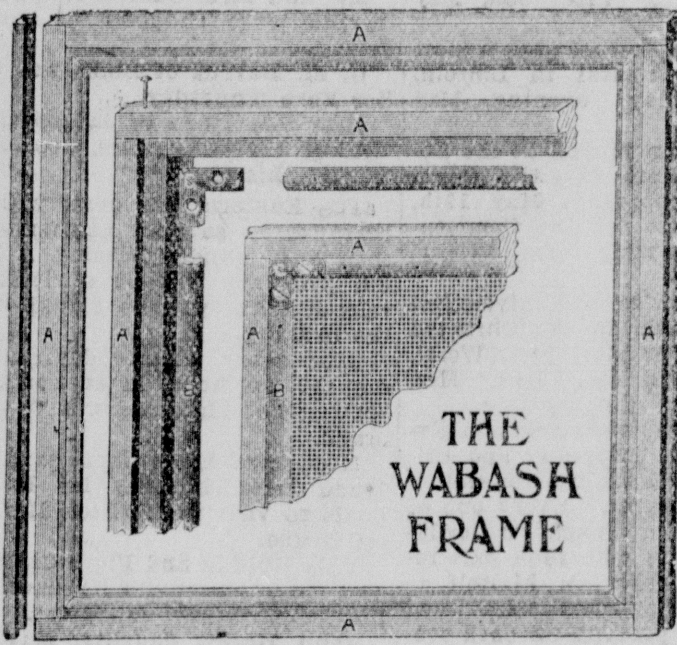

It is further provided by said ordinance, that said assessment shall be collected in ten (10) installments, with interest at the rate of five per cent per annum, as provided by law. Dated at Jacksonville, Illinois, this 16th day of May, A. D. 1916.

Walter B. Rogers,

Commissioner appointed to make said assessment.

HUMANE SOCIETY MEETING. Will be Held at the Public Library Building Monday Evening at Eight O'clock.

Everybody interested in the organization of a humane society is urged to attend a meeting at the public library Monday evening at eight when there will be an effort made to organize a humane society for this city and vicinity. The sentiment in that direction is making great progress in this vicinity and all over the land and the birds and animals are receiving far more attention than they have had for years and this is as it should be. Every friend of humanity is urged to be present tomorrow evening and help organize this beneficent affair.

WILL ATTEND ENCAMPMENT. The state G. A. R. encampment is to be held at Decatur this week beginning Tuesday. Among those expected to go from this city are C. E. McDougall, James M. Swales, James F. Self, Samuel T. Maddox, John Aschamb, L. Gouzen, George Paul, C. Riggs Taylor, Frank Wiggilost, and W. J. Moore or his alternate, W. D. McCormick. Comrade Maddox is expected, an especially fine time as the colonel of his regiment lives in the capital of Macon county and a number of his comrades are there too.

Y. M. C. A. NOTES.

The last of the series of track meets was held Saturday morning by the Junior A. Division in the Y. M. C. A. yard. The Tiger team romped away with high honors getting twenty eight points. The Panthers came second with fourteen and the Cubs third with twelve. The relay race was full of pep all the way thru, the Panthers in the lead for a while but the Tigers finally nosed them out by about eight feet.

The Senior Volley ball artists are still at the game in spite of the summer weather. Last week some real games were played. Next week the last of the series of games will be played.

The swimming pool is the popular place these days. Two classes in swimming instruction have been organized, one for the Junior A. Division Wednesdays at 4:20 o'clock and one for the Junior B. Division on Wednesdays at 4:00 o'clock. Senior and intermediate members receive lessons by appointment with the Physical Director.

Enthusiasm for the Boy's Camp is growing each day. Eighteen have already signed the list and a few more are expected to sign up by Monday. The Esnoir Cottage at Lake Matanzas has been leased for the camp and it has accommodations for twenty six people, this places a limit on the number of boys going. Those who are anticipating going should get on the list before it is too late.

SOLDIER OF FORTUNE, AFTER LONG FIGHT, MUST HANG

James C. Bulger Has Had Stormy Career—Convicted on a Murder Charge He Must Finally Pay Penalty.

Denver, Colo., May 20.—One of the most interesting characters of the Rocky Mountains will face the hangman on Monday in the Colorado penitentiary. He is James C. Bulger, soldier of fortune, leader of revolutions, quick man with the gun and general daredevil. He had many miraculous escapes from death, and seemed to have a charmed life, until he ran against a snag in Denver. On May 9, 1914, he shot and killed Lloyd F. Nicodemus, a Denver hotel man. He was convicted of the crime but has since put up a strong fight for freedom on the plea of insanity. Stay of sentence was granted him three times by the Supreme Court, which finally decided last month that Bulger must hang in the week beginning May 21.

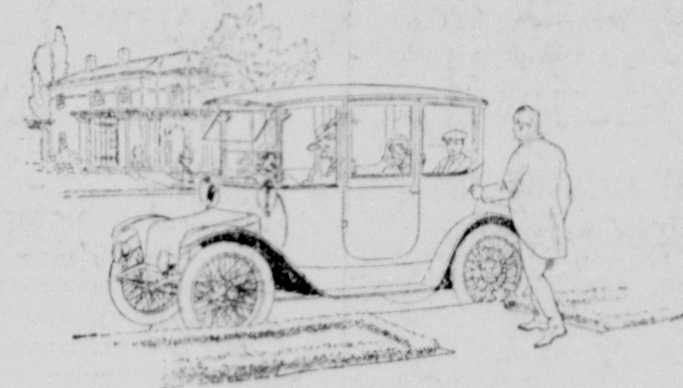

The shooting took place at the Savoy Hotel, where Bulger maintained headquarters of a recruiting station to raise a regiment for what he expected would be a war between the United States and Mexico. He had served in Mexican revolutions and in uprisings in other Latin American countries, and was preparing to make a great hero of himself in the eyes of his fellow Americans.

In 1912 Bulger gained notoriety by "snooting up" the town of Bulger, Colo., which had been named after him. He figured in other melodramatic stunts, and was known as a real "bad man." Later he shot and wounded J. H. Franklin, a private in the United States army at El Paso, Texas. Bulger led a charmed life and escaped from his follies many times by bare luck. In the present case for which he is to forfeit his life he nearly fooled the hangman. A jury was reporting on his sanity, in January, and thru error returned the verdict that Bulger was insane. The soldier of fortune smiled broadly and his attorneys were congratulating him, when the jury foreman arose and declared a mistake had been made. The wrong slip had been put in the envelope. Then a verdict of sane was returned. This verdict was upheld by the state Supreme Court.

PRISON CHAPLAIN FOR TWENTY-TWO YEARS.

Ionha, Mich., May 20.—Monday will be a red letter day for Rev. Cyrus Mendenhall, for it will be the 22nd anniversary of his assuming the duties of chaplain at the state reformatory here. This is said to be a record for service as prison chaplain. Otis Fuller, the warden, has also been in his present office for 22 years.

Detroit Electric

The utmost in an "all-year-car"

Not so long ago the greatest claim the Detroit Electric could truthfully advance was that it surpassed any other electrically-powered automobile. And when electric cars were considered the Detroit Electric was chosen in the majority of cases.

Many would have been satisfied with that. But not the makers of the Detroit Electric. Their ideal was to put Detroit Electrics at the fore-front of the entire field of "all-year-round" cars.

So they bent their efforts to increase its mileage. Now the Detroit Electric gives 80 to 90 miles of luxurious travel on a single charge. Then they planned to increase its speed and power. Today the Detroit Electric develops more speed than the law allows you to use and it has plenty of power to pull through heaviest roads and up steep hills.

The result is that today far more buyers of the "year-round" type of cars purchase Detroit Electrics than any other one make—either gasoline or electric.

We would like to show you this new Detroit Electric. Our strongest claims are easily proved by a practical road demonstration.

Remember—the Detroit Electric is a quality car at a moderate price

ANNUAL MEETING OF SPRINGFIELD WOMAN'S COLLEGE ALUMNAE

Dr. and Mrs. Joseph R. Harker, Mrs. E. C. Lambert and Miss Ruby Neville returned Saturday evening from Springfield where they attended the annual meeting of the Springfield society of Illinois Woman's college, held with excellent attendance in the social rooms of the Young Woman's Christian association. Officers for the coming year were elected as follows:

President—Mrs. Linda Layton Trapp, Springfield.
Vice president—Mrs. Alice McAvoy Griffith.
Second vice president—Mrs. Ara Large Sheppard.
Treasurer—Miss Alice Mott, Athens.

Secretary—Mrs. Edna Sheppard Baker, Pawnee.
The seventieth anniversary was a theme emphasized by Dr. Harker, who extended a cordial invitation to all members of the society to attend the celebration here in June. Mrs. Lambert and Miss Neville spoke as did Mrs. Clarissa Keplinger Rinaker and Mrs. Mary Taggart McNeil, Carlinville; Mrs. T. J. Crowder, Mrs. Nora Dunn Akers and Mrs. Meredith of Springfield.

A pleasing group of songs was given by Miss Anno of Havana.

SOCIAL EVENTS

Gave a Children's Party.

Mr. and Mrs. Warren Plunkett of 829 West Lafayette avenue entertained a party of little folks Saturday afternoon, the occasion being the 4th birthday of their daughter, Frances Lee. The hours were from 2 to 5 and the little folks enjoyed themselves playing games. During the afternoon refreshments were served including a nice birthday cake with four candles on it. Mrs. Plunkett was assisted in entertaining by the little girl's two grandmas, Mrs. C. Plunkett of Pleasant Plains, Ill., and Mrs. Z. Wheatland. Those present were: Catherine, Lucille and Vivian Blackford, Winnifred Philo, Nora Lu Rentchler, Genevieve Gray of Murrayville, Frances Lee Plunkett, Raymond Henderson, Loren Allen and Riley Cooney.

Miss Scott Hostess to High School Juniors.

Juniors of the high school were entertained Saturday evening at the home of Miss Marie Scott, north of the city, in recognition of their recent victory in selling more tickets than any other class for the grade school meet. In the junior class John W. Collin was first with 120 tickets sold. Three hundred and seventy were sold by the class as a whole and 307 by the seventh grade, the next class in order.

A merry company which numbered more than eighty sat down to a delicious luncheon at 6 o'clock, prepared with assistance by Misses Ellis, Calky and Stevenson of the faculty, Miss Elsie Reed and Miss Margaret Waller. Supt. Collins, Mr. Morrison and Mr. Maddox were present at the gathering.

A pleasant feature of the event was a thirty minute concert by the band, guests of honor at the luncheon in common with the juniors.

Birthday Party.

A party was given in honor of the 25th birthday of Harry Perry, Jr., at his home, east of the city, Saturday night. There was a large number present and the evening was spent in music and games. The prizes were won by Mrs. Charles Dodd and Miss Elizabeth Spencer. Dainty refreshments were served.

Big Men of Nation Go to Church. Get the Habit! Join the Procession!

It is deplorable, but nevertheless true, that there are men who think it savors of effeminacy to be seen often in church. These men should awaken to the error of their ways.

The really strong men, the men of the nation, are constant churchgoers. They rarely miss a Sunday. The story is told of a great composer who on one occasion was accorded a magnificent ovation. The audience cheered him for fully five minutes. It was a tribute calculated to turn any man's head. Then there came a series for a speech. The composer faced the great multitude of his admirers and said:

"WHAT DOETH IT PROFIT A MAN TO GAIN THE WHOLE WORLD AND LOSE HIS OWN SOUL?"

That was all. The audience was electrified. They knew the deep religion of the man and grasped the significance of his remarks. The ovation that went before was as nothing compared to that which followed. That great audience didn't think this man effeminate. He was big enough to proclaim publicly his faith in God and a hereafter. It is the weak rather than the strong man who, while professing a belief in God, remains away from church. If you believe in God, practice your belief by going to church. God doesn't ask much of your time.

Don't delay GOING TO CHURCH. Start this Sunday. Get the habit. You'll find it is not a hard task. Join the procession. By going to church you set a good example to your neighbor. It will set him thinking. You will please your wife, your mother, your sister. It will fill them with happiness to see that you are on the road to righteousness. And be honest with yourself. Don't you know you are a lot happier after an hour with God?

BIRTHDAY ANNIVERSARY.

Mr. and Mrs. Harry Furry went to Virden yesterday to attend the birthday celebration of Mr. Furry's father, J. M. Furry, a long time resident of that town. Mr. Furry will be eighty-eight years old today and notwithstanding this unusual age, he is still vigorous in mind and body.

Mr. Furry came from Ohio to Illinois in 1856 and settled first at Pittsfield. After a comparatively short residence there he went with his family to Virden and engaged in the mercantile business until advancing years made advisable his withdrawal from active business life. He is living now quietly in his Virden home and gives every indication of being spared to his family and friends for years to come.

Party of Los Angeles Ministers and Laymen Want Billy Sunday to Visit Coast—Governor Johnson Joins Plea.

A copy of the Los Angeles Herald received by a Jacksonville friend of Rev. R. F. Thrapp, tells about a party of prominent ministers who are to leave Los Angeles tomorrow afternoon for Kansas City to invite Evangelist Billy Sunday to go to the coast city. Jacksonville people will remember that Rev. Mr. Thrapp took an active interest in the Sunday meetings here and was really very influential in arranging for the campaign. The story of the Los Angeles delegation plans is as follows:

"With Rev. John A. Eby heading the party, a delegation of prominent and influential ministers will leave Los Angeles next Monday afternoon for Kansas City to invite Billy Sunday, the evangelist, to come to Los Angeles for a sweeping campaign to save souls.

"The ministerial delegation will probably be accompanied by a group of prominent business men, and it will carry the backing and support of the combined Protestant churches of Los Angeles.

"This announcement was made today by Dr. Eby, who stated that these are the present tentative plans which will not be changed except under unlooked for circumstances.

"Want Sunday to Suggest Time. "Sunday will be urged to come to Los Angeles at whatever time he names and will be asked to arrange an extensive religious campaign to affect the entire southland.

"The ministers who will start for Kansas City next Monday with Dr. Eby are Dr. William Horace Day, Dr. Edward A. Campbell, Dr. A. B. Pritchard, Dr. James A. Francis, president of the Ministerial union, Dr. Russell P. Thrapp, George F. Kingcott and Dr. R. P. Howell.

"This party will be joined in Kansas City by a number of prominent divines who are now in the east, but who will hasten to the meeting point to add their eloquence to that of the above named delegation in trying to persuade Sunday to come to Los Angeles. These ministers are Rev. C. C. Selemann, Dr. C. E. Locke, Dr. James A. Gelsinger and Secretary D. E. Luther of the Y. M. C. A.

"A group of laymen may accompany the Los Angeles delegation and this party is tentatively made up of W. E. McVey, E. F. Pierson, James Packard and former Lieutenant Governor A. J. Wallace.

"In the meantime Governor Hiram Johnson, Mayor Sebastian and J. Whitcomb Brougher, pastor of Temple Baptist church, who was unable to join the delegation, will be sending Billy Sunday with night letters and telegrams urging him to accept the call to Los Angeles. Those in charge of the plans are preparing to urge a general seige of letters and telegrams from Angelenos to the famous revivalist."

COWS SOLD SATURDAY AT SCHOOL FOR DEAF

Fifteen Animals Brought Good Prices—Careful Records Kept on all Milk Production.

The sale of cows at the State School for the Deaf Saturday was well attended. Fifteen animals were sold and the prices ranged from \$106 to \$5. The sale was for the disposal of a number of Jerseys and for aged Holsteins. Jed Cox was the auctioneer and the prices were accounted very satisfactory. The cow with the best milk record was No. 17, the chart showing that this animal has produced in the last year 9,391 pounds of milk. The lowest figure was for a Holstein cow that had produced during the year 5,136 pounds of milk. The prices and purchasers were as follows:

Jersey cow, John Taylor, \$96.
Jersey cow and calf, Philip Schultz \$80.
Holstein cow, A. J. Harding, \$72.
Holstein cow, James Hanrahan, \$95.
Holstein cow, A. O. Harris, \$99.
Black cow, James Mead, \$68.
Holstein, James Hanrahan, \$64.
Holstein cow, A. O. Harris, \$71.50.
Holstein cow, A. O. Harris, \$53.
Black cow, Robert Coultas, \$68.
Jersey cow, A. O. Harris, \$45.
Jersey cow, Robert Coultas, \$54.
Jersey cow, Clark Green, \$55.
Bull, James Hanrahan, \$106.

There remain sixty-eight head of cattle in the State School for the Deaf herd. One advantage of buying at such a sale is that an accurate record of the milk production of each cow can be secured. Every morning and night when a cow is milked the weight of the milk is immediately determined and marked on a blackboard in the cow barn. Subsequently this record is copied and mailed to the state board of administration. In this way an accurate account is had of what each cow is producing, and effort is made to eliminate those cows that are not good producers and purchase others that give more milk. The great secret of success in dairying is to have good cows, for it costs no more to feed a cow that gives 5,700 lbs. of milk in the course of a year than it does to feed a cow that gives 3,000 lbs. in the course of a year. In addition to the record of milk production the cost of feeding is also kept in an accurate way.

I now have my organization complete, and you will find at the several stations, not only a line of parts, but you will find as fine a lot of gentlemen as is to be found anywhere. John A. Ford is the Ford man in Bluffs, M. E. Greenleaf is the Ford man at Alexander, Walter Bobbit is the Ford man at Chaplin, Harry Cade is the Ford man at Murfreesville, Orville Crum is the Ford man at Litterberry, John Coe is the Ford man at Winchester, and any of these gentlemen will sell you a car and give you the same Ford service, for the same price, that it is possible to buy it for even from the Ford Factory, and if you happen to live in the territory represented by any of these gentlemen I am sure you will back up what I say.
C. N. Priest,
The Ford Man.

DECISION GIVEN IN THE STRAWN AND ROBERTSON CASES

Judge Burton Found in Favor of the Estate—Motion For Appeal Made—Two Divorces Granted.

Judge Burton in the circuit court made known his opinion in the suit resulting from action filed by Gates Strawn, executor of the Strawn estate, against John R. Robertson, making claim of about \$33,000. The court entered an order disallowing the claim and granting judgment against Mr. Robertson in favor of the estate for \$3,500 and interest on this sum. A petition granting appeal to the appellate court was filed by Mr. Robertson's attorneys, Bellatti, Bellatti & Moriarty and Judge M. T. Layman. The estate is represented by Kirby, Wilson and Brookhouse.

As before stated, the hearing of the two cases was consolidated and appeared in the circuit court on appeal from the county court. In the county court Mr. Robertson filed a claim amounting to about \$38,000 alleging \$1,000 a year due him for services rendered during a period of years, and claiming also the principal and interest on a check of \$21,000 drawn in 1924. In the county court Mr. Robertson secured a jury verdict allowing him \$9,000 on his claim. At that time both sides gave notice of appeal and the appeal was taken to the circuit court by the estate.

Judge Burton granted a divorce to Mrs. Rosella Nunes from her husband, Manuel Nunes, and awarded her the custody of their child. The divorce was granted on the ground of cruelty.

A decree of divorce was also allowed John Craig, who sought divorce from his wife, Emma Collins Craig. Desertion was the charge made and Mr. Craig was given the custody of the children.
